3.17. Comments, conclusions and/or recommendations related to factors affecting the property

3.17.1 - Comments
Management response was the establishment of the new Coordination and Management Commission and preparation of Special Plan (Conservation Project) for the Old Town. The Plan will regulate the scope of building constructions in the area of Vilnus Historic Centre. All existing protective designations are listed under the question 4.2. The new Conservation Project will replace Vilnius Old Town Preservation Regulations approved in 2003.

**Comment**

4.2.2 - Is the legal framework (i.e. legislation and/or regulation) adequate for maintaining the Outstanding Universal Value including conditions of Integrity and/or Authenticity of the property?

- An adequate legal framework for the maintenance of the Outstanding Universal Value including conditions of Authenticity and/or Integrity of the World Heritage property exists but there are **some deficiencies in implementation**

4.2.3 - Is the legal framework (i.e. legislation and/or regulation) adequate in the buffer zone for maintaining the Outstanding Universal Value including conditions of Integrity and/or Authenticity of the property?

- An adequate legal framework for the maintenance of the Outstanding Universal Value including conditions of Authenticity and/or Integrity of the World Heritage property exists but there are **some deficiencies in implementation**

4.2.4 - Is the legal framework (i.e. legislation and/or regulation) adequate in the area surrounding the World Heritage property and buffer zone for maintaining the Outstanding Universal Value including conditions of Integrity and/or Authenticity of the property?

- The legal framework for the area surrounding the World Heritage property and the buffer zone provides **an adequate or better basis** for effective management and protection of the property, contributing to the maintenance of its Outstanding Universal Value including conditions of Authenticity and/or Integrity

4.2.5 - Can the legislative framework (i.e. legislation and/or regulation) be enforced?

- There is **acceptable** capacity/resources to enforce legislation and/or regulation in the World Heritage property but some deficiencies remain

4.2.6 - Comments, conclusions and/or recommendations related to protective measures

The Special Plan of Protection for Boundaries of Vilnius Old Town (approved in 2010) is a part of the Management System of Vilnius Old Town. The other components are: the Special Plan (Conservation Project; The Concept approved in 2012), the Action Plan for 2013-2015 (approved in 2012) and the Coordination and Management Commission (approved in 2013). The link to the Special Plan is: [http://www.kpd.lt/vsforum/](http://www.kpd.lt/vsforum/)

• Question 5.05
  Overall management system of the site
  • Management under protective legislation

Comment
Activities of Supervision Council of Vilnius Old Town Renewal Agency were suspended because of various reasons: weak financing from Municipal budget, weakened activities, etc. New state level Coordination and Management Commission for protection of Vilnius Historic Centre was established by the Order No. IV-77 of the Minister of Culture, on 5 02 2013.

4.3.3 - How well do the various levels of administration (i.e. national/federal; regional/provincial/state; local/municipal etc.) coordinate in the management of the World Heritage Property?

• There is coordination between the range of administrative bodies / levels involved in the management of the property but it could be improved

4.3.4 - Is the management system / plan adequate to maintain the property's Outstanding Universal Value?

• The management system/plan is fully adequate to maintain the property's Outstanding Universal Value

4.3.5 - Is the management system being implemented?

• The management system is only partially being implemented

4.3.6 - Is there an annual work/action plan and is it being implemented?

• No annual work/action plan exists despite an identified need

4.3.7 - Please rate the cooperation/relationship of the following with World Heritage property managers/coordinators/staff

  Local communities/residents Poor
  Local/Municipal authorities Fair
  Indigenous peoples
  Landowners Poor
  Visitors
  Researchers Poor
  Tourism industry Non-existent
  Industry

4.3.8 - If present, do local communities resident in or near the World Heritage property and/or buffer zone have input in management decisions that maintain the Outstanding Universal Value?

• Local communities have some input into discussions relating to management but no direct role in management

4.3.9 - If present, do indigenous peoples resident in or regularly using the World Heritage property and/or buffer zone have input in management decisions that maintain the Outstanding Universal Value?

• No indigenous peoples are resident in or regularly using the World Heritage property and/or buffer zone

4.3.10 - Is there cooperation with industry (i.e. forestry, mining, agriculture, etc.) regarding the management of the World Heritage property, buffer zone and/or area surrounding the World Heritage property and buffer zone?
There is contact but only some cooperation with industry regarding the management of the World Heritage property, buffer zone and/or area surrounding the World Heritage property and buffer zone.

4.3.11 - Comments, conclusions and/or recommendations related to management system/plan
The Management System is only partially being implemented as the Special Plan of Vilnius Old Town (Conservation Project) is not finished yet (expected approval is at the end of 2013). Parts of the Special Plan: the Special Plan of Immovable Heritage Protection for Boundaries of the Area of Vilnius Old Town was approved in 2010 and the Concept of the Special Plan was approved in 2012. The other components of the System are the Coordination and Management Commission and the Action Plan.

4.3.12 - Please report any significant changes in the legal status and/or contractual/traditional protective measures and management arrangements for the World Heritage property since inscription or the last Periodic report
New documents - Special Plan of Immovable Heritage Protection for Boundaries of the Area of Vilnius Old Town; approved by the Minister of Culture No. IV-512 of 18 10 2010. - The Concept (the part of the Special Plan of Vilnius Old Town (Conservation Project); approved by the Ministry of Culture No. S2-1673 of 29 06 2012. - Action Plan for the Preservation and Sustainable Use of OUV of Vilnius Historic Centre, 2013-2015 (approved in 2012).

4.4.3 - Is the current budget sufficient to manage the World Heritage property effectively?

- The available budget is inadequate for basic management needs and presents a serious constraint to the capacity to manage.

4.4.4 - Are the existing sources of funding secure and likely to remain so?
- Existing sources of funding are not secure.

4.4.5 - Does the World Heritage property provide economic benefits to local communities (e.g. income, employment)?
- There is some flow of economic benefits to local communities.

4.4.6 - Are available resources such as equipment, facilities and infrastructure sufficient to meet management needs?
- There are some adequate equipment and facilities, but deficiencies in at least one key area constrain management at the World Heritage property.
4.4.7 - Are resources such as equipment, facilities and infrastructure adequately maintained?

- There is basic maintenance of equipment and facilities

4.4.8 - Comments, conclusion, and/or recommendations related to finance and infrastructure

Existing sources of funding are not secure because the state and municipal budgets are approved only for one year period. In spite of that, there was a significant amount of money allocated from the national and municipal budgets for the Old Town conservation, renewal and special planning tasks during last five years (2008-2012). Conservation works were implemented at Vilnius University, number of churches, historic palaces, historic cemeteries, renewal of wooden residential houses.

4.4.9 - Distribution of employees involved in managing the World Heritage Property (% of total)

- Full-time 100%
- Part-time 0%

4.4.10 - Distribution of employees involved in managing the World Heritage Property (% of total)

- Permanent 100%
- Seasonal 0%

4.4.11 - Distribution of employees involved in managing the World Heritage Property (% of total)

- Paid 100%
- Volunteer 0%

4.4.12 - Are available human resources adequate to manage the World Heritage property?

- A range of human resources exist, but these are below optimum to manage the World Heritage Property.

4.4.13 - Considering the management needs of the World Heritage property, please rate the availability of professionals in the following disciplines

- Research and monitoring: Poor
- Promotion: Fair
- Community outreach: Non-existent
- Interpretation: Fair
- Education: Poor
- Visitor management: Fair
- Conservation: Fair
- Administration: Fair
- Risk preparedness: Poor
- Tourism: Fair
- Enforcement (custodians, police): Poor

4.4.14 - Please rate the availability of training opportunities for the management of the World Heritage property in the following disciplines

- Research and monitoring: Not available
- Promotion: Not available
- Community outreach: Not available
- Interpretation: Not available
- Education: Not available
- Visitor management: Not available
- Conservation: Not available
- Administration: Not available
- Risk preparedness: Not available
- Tourism: Not available
- Enforcement (custodians, police): Not available
4.4.15 - Do the management and conservation programmes at the World Heritage property help develop local expertise?

- **No capacity** development plan or programme is in place; management is implemented by external staff and skills are not transferred

4.4.16 - Comments, conclusions and/or recommendations related to human resources, expertise and training

A capacity development plan or programme is not planned.

4.5. Scientific Studies and Research Projects

4.5.1 - Is there adequate knowledge (scientific or traditional) about the values of the World Heritage property to support planning, management and decision-making to ensure that Outstanding Universal Value is maintained?

- Knowledge about the values of the World Heritage property is **sufficient** for most key areas **but there are gaps**

4.5.2 - Is there a planned programme of research at the property which is directed towards management needs and/or improving understanding of Outstanding Universal Value?

- There is **considerable** research but it is **not directed** towards management needs and/or improving understanding of Outstanding Universal Value

4.5.3 - Are results from research programmes disseminated?

- Research results are **shared with local partners** but there is no active outreach to national or international agencies

4.5.4 - Please provide details (i.e. authors, title, and web link) of papers published about the World Heritage property since the last periodic report

Applied archaeological, architectural, historical research usually are implemented in the case of infrastructural or construction works related with one specific site, but not with all World heritage property. There were complex (archaeological, historical, geological) research implemented in the area of Vilnius Castles (Park of Hills), number of papers were printed in 2009-2012.

4.5.5 - Comments, conclusions and/or recommendations related to scientific studies and research projects

There are not enough of scientists researchers who work with specific issues related with World heritage property.

4.6. Education, Information and Awareness Building

4.6.1 - At how many locations is the World Heritage emblem displayed at the property?

- In **one location and easily visible** to visitors

4.6.2 - Please rate the awareness and understanding of the existence and justification for inscription of the World Heritage property amongst the following groups

- Local communities/residents: Average (3)
- Local/Municipal authorities within or adjacent to the property: Average (3)
- Local Indigenous peoples: Average (3)
- Local landowners: Average (3)
- Visitors: Average (3)
- Tourism industry: Average (3)
- Local businesses and industries: Average (3)

4.6.3 - Is there a planned education and awareness programme linked to the values and management of the World Heritage property?

- There is a **limited and ad hoc** education and awareness programme

4.6.4 - What role, if any, has designation as a World Heritage property played with respect to education, information and awareness building activities?

- World Heritage status has influenced education, information and awareness building activities, **but it could be improved**

4.6.5 - How well is the information on Outstanding Universal Value of the property presented and interpreted?

- The Outstanding Universal Value of the property is **not adequately** presented and interpreted

4.6.6 - Please rate the adequacy for education, information and awareness building of the following visitor facilities and services at the World Heritage property

- Visitor centre: Adequate
- Site museum: Not provided but needed
- Information booths
Guided tours Poor
Trails/routes Poor
Information materials Poor
Transportation facilities Poor

Other

4.6.7 - Comments, conclusions and/or recommendations related to education, information and awareness building
Education and awareness activities are implemented by Vilnius Old Town Information Centre, established by Vilnius
Old Town Renewal Agency, but the municipal financing is very small. Sometimes the Agency gets grants for the
education and awareness projects from Lithuanian Cultural Support Fund, from the State Department of Cultural
Heritage and other national and municipal funds; not sufficient.

4.7. Visitor Management

4.7.1 - Please provide the trend in annual visitation for the last five years
Last year Minor Increase
Two years ago Minor Increase
Three years ago Minor Increase
Four years ago Decreasing
Five years ago Minor Increase

4.7.2 - What information sources are used to collect trend data on visitor statistics?
Accommodation establishments

4.7.3 - Visitor management documents
Comment
Vilnus Tourism Development Strategy was prepared in 2008-2009. Project "Picturesque route for cars in Vilnius City
and suburbs" was financed from EU funds and was implemented in 2007-2008. Vilnius Historic Centre is included into
the route. The preparation of the Study of Vilnius City Tourism Development in 2014-2017 started and will be finished
at the beginning of 2014; the study will be partially financed from EU funds.

4.7.4 - Is there an appropriate visitor use management plan (e.g. specific plan) for the World Heritage property which ensures
that its Outstanding Universal Value is maintained?
- Visitor use of the World Heritage property is managed but improvements could be made

4.7.5 - Does the tourism industry contribute to improving visitor experiences and maintaining the values of the World
Heritage property?
- Although the tourism industry is active in the property, there is little or no contact between tourism
operators and those responsible for the World Heritage property

4.7.6 - If fees (i.e. entry charges, permits) are collected, do they contribute to the management of the World Heritage property?
- No fees are collected

4.7.7 - Comments, conclusions and/or recommendations related to visitor use of the World Heritage property
Visitor use is still weak (no fees are collected), little contact between tourism operators and those responsible for the
World Heritage property. This could be improved.

4.8. Monitoring

4.8.1 - Is there a monitoring programme at the property which is directed towards management needs and/or improving understanding of Outstanding
Universal Value?
- There is considerable monitoring but it is not directed towards management needs and/or improving
understanding of Outstanding Universal Value

4.8.2 - Are key indicators for measuring the state of conservation used in monitoring how the Outstanding Universal Value of the property is being
maintained?
- Information on the values of the World Heritage property is sufficient to define key indicators, but this has not
been done

4.8.3 - Please rate the level of involvement in monitoring of the following groups
World Heritage managers/coordinators and staff Average
Local/Municipal authorities: Poor
Local communities: Poor
Researchers: Non-existent
NGOs: Non-existent
Industry
Local indigenous peoples

4.8.4 - Has the State Party implemented relevant recommendations arising from the World Heritage Committee?

- Implementation is underway

4.8.5 - Please provide comments relevant to the implementation of recommendations from the World Heritage Committee

The Minister of Culture informed the director of UNESCO World Heritage Centre on 30 01 2013 on the state of conservation of the site: new Coordination and Management Commission for protection of Vilnius Historic Centre has started its work; the Special Plan for Vilnius Old Town is under preparation and is planned to be finished in 2013. The buffer zone has been expanded and approved.

4.8.6 - Comments, conclusions and/or recommendations related to monitoring

The monitoring the status in the physical state of single cultural heritage buildings, cultural heritage complexes and cultural heritage objects comprising the complexes in Vilnius Historic Centre is implemented since 2011. Internet page for monitoring: http://www.vsaa.lt/_pastatai.htm The work is not directed towards management needs and/or improving understanding of OUV.

4.9. Identification of Priority Management Needs

4.9.1 - Please select the top 6 managements needs for the property (if more than 6 are listed below)

Please refer to question 5.2
